

MCA Student Handbook - Quick Reference Guide

1. About the Program

Master of Computer Applications (MCA) is a 4-semester (2-year) postgraduate program focused on software development, data structures, AI/ML, databases, and system design.

The program includes theory courses, lab courses, a mandatory summer internship, and a major project in the final semester.

2. Attendance

Minimum 75% attendance is mandatory in every subject to be eligible for the End Semester Examination. Attendance between 65-74% may be condoned by the HOD only on medical grounds (max 2 times in the course).

3. Lab Timings and Rules

Regular lab hours: 9:30 AM - 4:30 PM, Monday to Friday. Extended lab access for project work: 4:30 PM - 7:00 PM with prior permission.

Food and drinks are strictly not allowed inside computer labs. Fine of Rs. 200 applies for violations.

4. Examination and Fees

Semester 1 fee: Rs. 72,500. If a student fails a theory subject, the backlog exam fee is Rs. 1,200; for a practical subject it is Rs. 1,800.

Students get a maximum of 4 attempts to clear a backlog subject.

5. Grading System

The institute follows a 10-point CGPA scale. A minimum of Grade C (5 points) is required to pass each subject. Refer to the separate Grading System document for the full grade-to-marks table.

6. Hostel and Campus Life

Hostel gate closes at 9:30 PM on weekdays and 10:30 PM on weekends. Hostel fee (with mess) is Rs. 45,000 per semester.

Ragging in any form is strictly banned and punishable under UGC regulations, including expulsion.

7. Placements

Minimum eligibility for campus placement is 60% aggregate (CGPA 6.0) with no active backlog and 75% attendance.

A mandatory 6-week summer internship after Semester 2 is required and evaluated for 50 marks in Semester 3.

8. Library

Students can issue up to 3 books for 14 days. Late return fine is Rs. 2 per day per book.
