

MCA Grading System and Evaluation Scheme

1. Grading Scale

The institute follows a 10-point Cumulative Grade Point Average (CGPA) system as per the table below.

O (Outstanding): 90-100 marks, Grade Point 10

A+ (Excellent): 80-89 marks, Grade Point 9

A (Very Good): 70-79 marks, Grade Point 8

B+ (Good): 60-69 marks, Grade Point 7

B (Above Average): 55-59 marks, Grade Point 6

C (Average): 50-54 marks, Grade Point 5

F (Fail): Below 50 marks, Grade Point 0

2. Passing Criteria

A minimum of Grade C (50 marks / 5 grade points) is required in both internal assessment and end-semester examination separately, as well as in aggregate, to pass a subject.

Internal assessment (assignments, mid-semester test, attendance, lab performance) carries 30% weightage; end-semester examination carries 70% weightage for theory subjects.

For practical/lab subjects, continuous evaluation carries 40% weightage and the end-semester practical exam/viva carries 60% weightage.

3. CGPA Calculation

SGPA (Semester Grade Point Average) = $\text{Sum of (Credit x Grade Point) for all subjects} / \text{Sum of Credits for that semester}$.

CGPA = $\text{Sum of (Credit x Grade Point) for all subjects across semesters} / \text{Total Credits across semesters}$.

4. Classification of Final Degree

CGPA 8.5 and above: First Class with Distinction

CGPA 6.5 to 8.49: First Class

CGPA 5.0 to 6.49: Second Class

Below 5.0 CGPA: Not eligible for degree; backlog subjects must be cleared

FREQUENTLY ASKED QUESTIONS

Q: What is the minimum grade needed to pass a subject?

A: Grade C, which corresponds to 50 marks and 5 grade points, is the minimum passing grade, required separately in internals and end-semester exam.

Q: How is the internal vs external weightage split for theory subjects?

A: Internal assessment carries 30% weightage and the end-semester exam carries 70% weightage.

Q: What CGPA is needed for First Class with Distinction?

A: A CGPA of 8.5 or above is required for First Class with Distinction.
